

THE VISION

‘A new luxury tourism and wellness retreat’

Aunt Minnie’s Farm is a new sustainable tourism and wellness retreat with a 5* standard to serve the Mourne AONB.

This fabulous new eco-friendly project will bring a touch of luxury and amenity to those who wish to connect with nature in one of the most tranquil and beautiful settings within the Mourne Mountains.

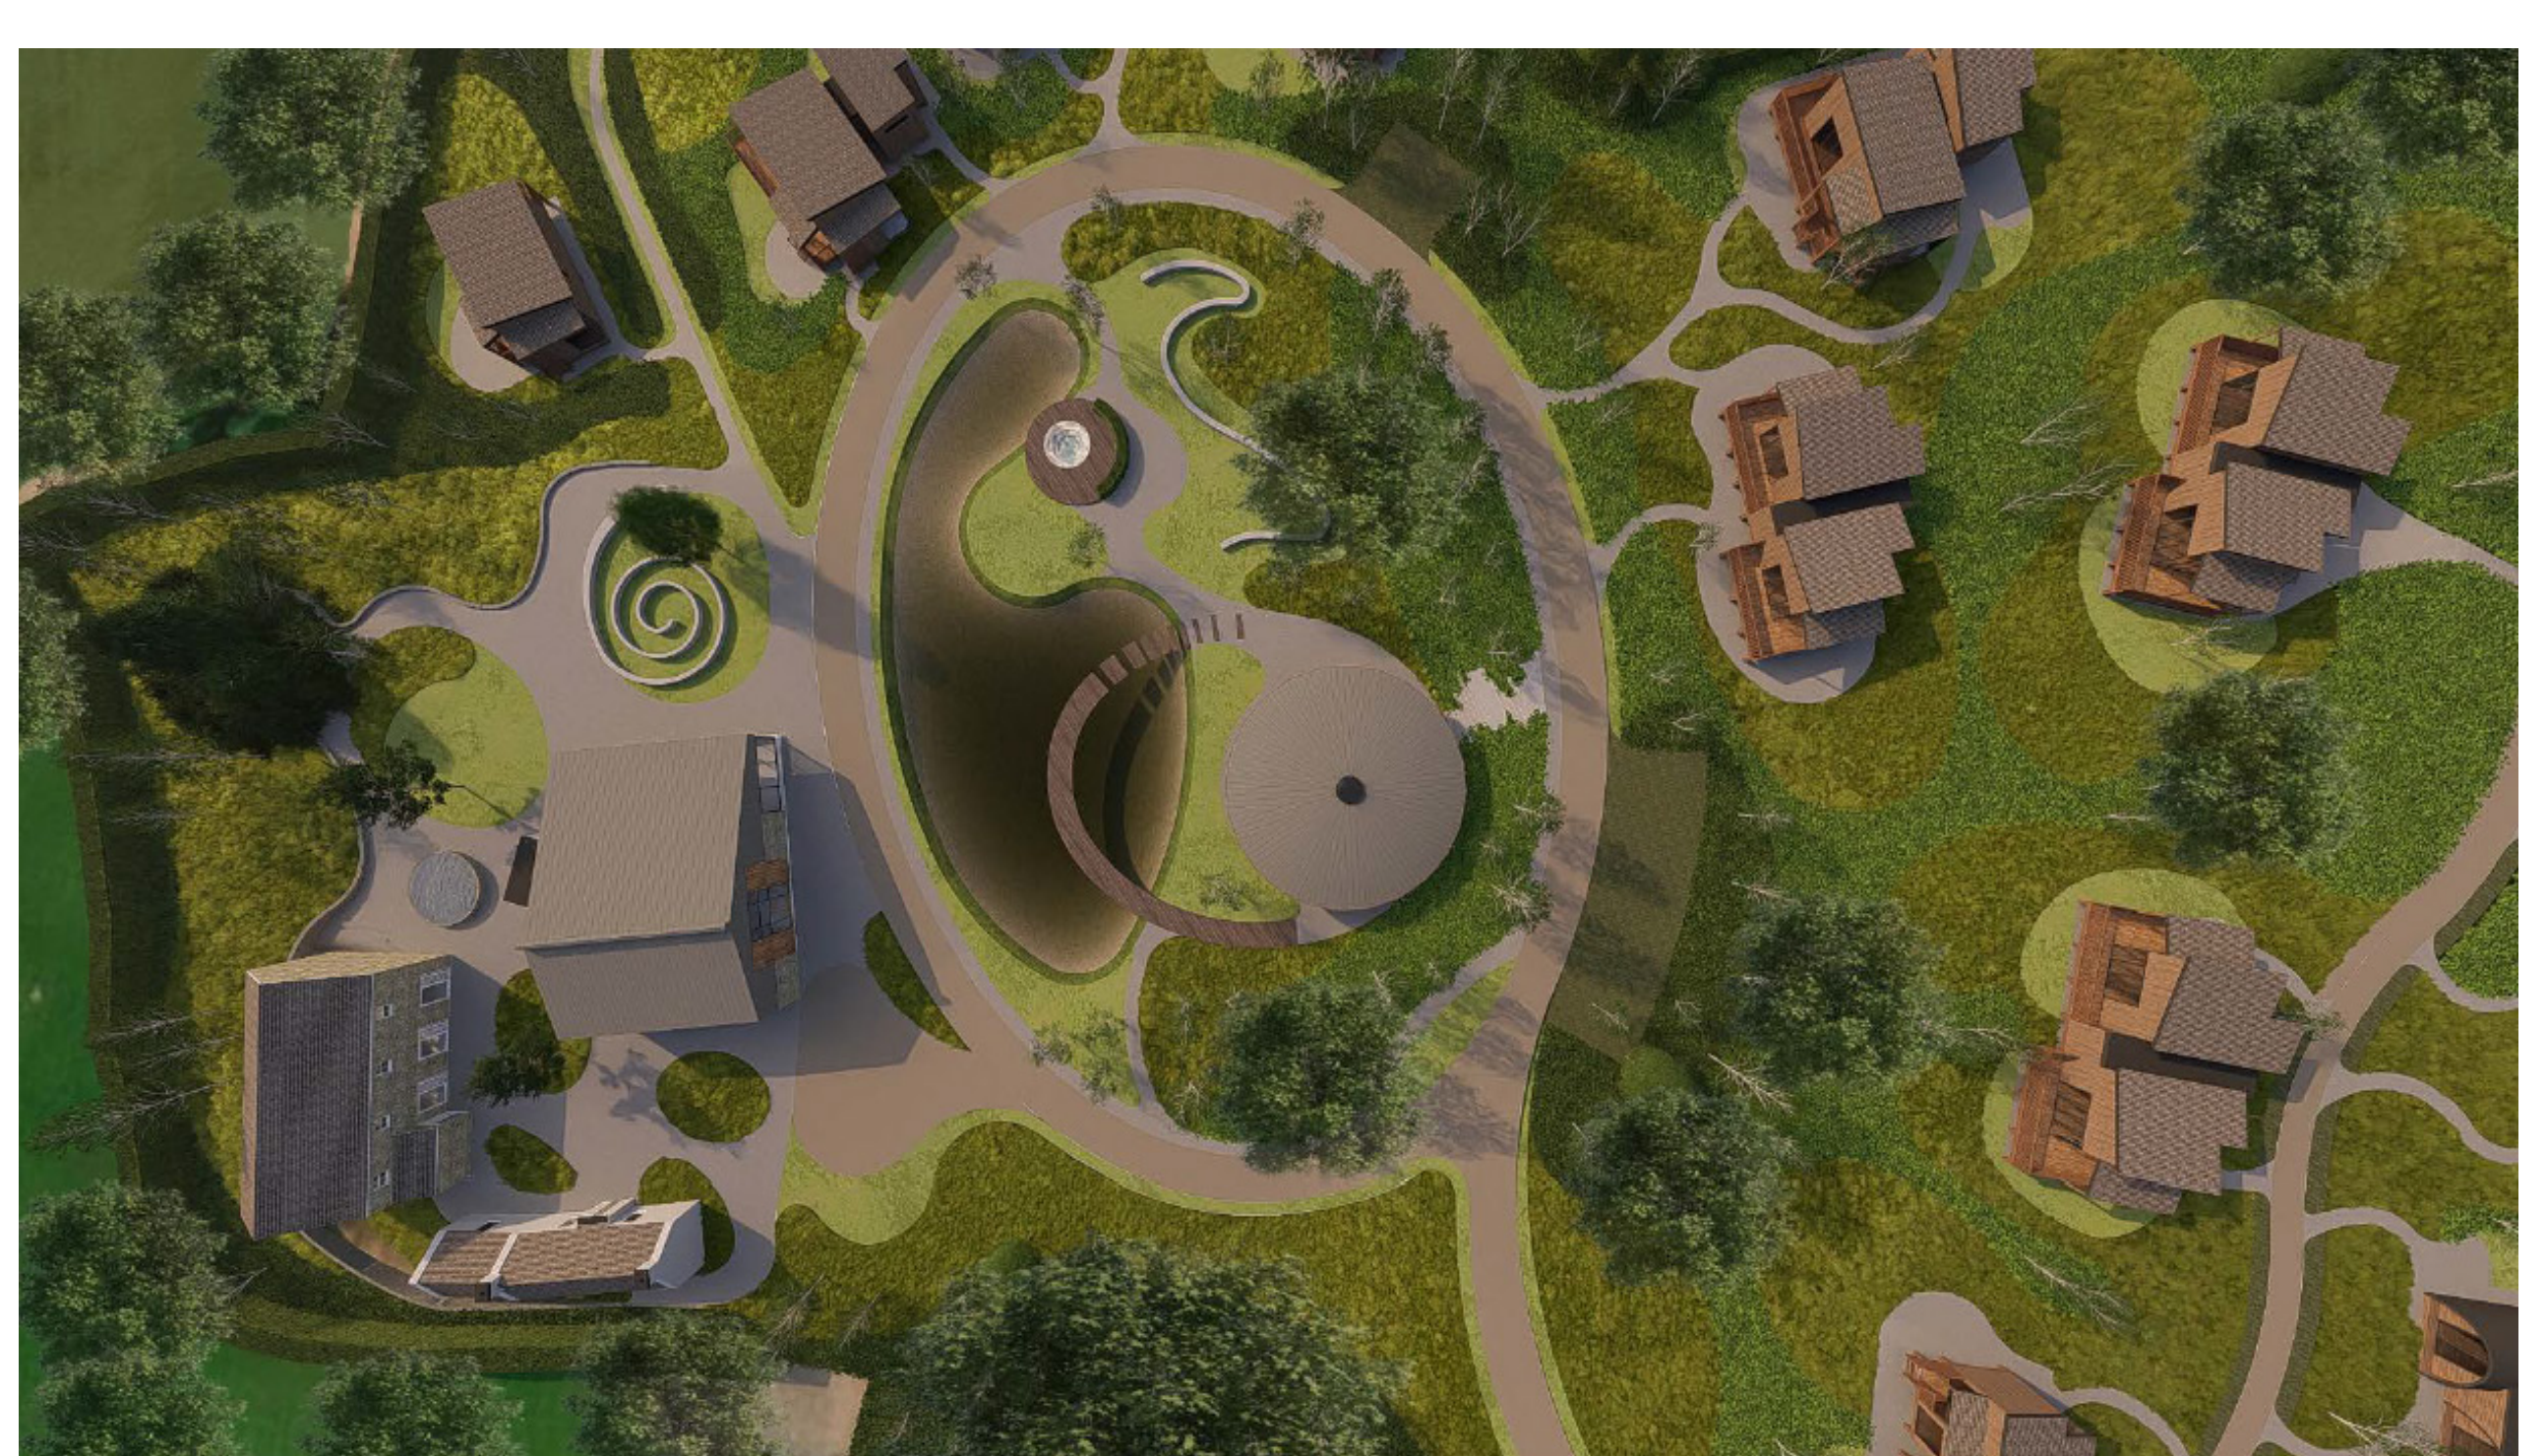

This proposal is quite unique to these parts, as it marries both high-end luxury accommodation and amenities.

‘Aunt Minnie’s Farm is more than just a place to stay.

It is the perfect place to slow down, reconnect with nature, and experience wellbeing in a serene environment.’

Designed to meet a growing demand for nature-based, mindful tourism, the retreat will offer guests a high-quality alternative to traditional accommodation.

From morning yoga and cold-water immersion to evening meals made from local produce, every element is carefully shaped by the landscape, local culture, and principles of sustainability.

COMMUNITY

The success of Aunt Minnie’s Farm depends on the support and involvement of the local community.

The project will bring new employment opportunities and encourage partnerships with local businesses, food producers, artists, holistic practitioners and tour providers.

Every effort has been made to ensure that the development remains respectful of its neighbours, with careful attention to layout, noise management and access.
